6th January 

Let's start off with a BANG!

Join us today as we celebrate the beginning of 2025. We'll kick things off by splitting into teams to create team names and banners. Then dive into epic games like snake feeding, tissue box races, mummy wrap, tong catch, and the day wouldn't be complete without an epic dance-off—so get ready to show off your best moves!

The fun doesn't stop there, we'll get creative with firework crafts and enjoy making delicious Fruit Slushies, fruit kababs, fairy bread and tasty Frankfurt's for lunch. Let's celebrate the start of the program with laughter, teamwork, and nonstop fun!

7th January 

Pokémon Vs Lego Masters

It's time to catch 'em all in our showdown! Explore Bug-A-Lugs as you hunt for wild Pokémon. Afterwards, train your Pokémon and craft your very own creations. Who will be crowned the ultimate Bug-A-Lugs Pokémon champion? Then, switch gears for our LEGO Masters challenge! Unleash your creativity as you are presented Lego challenges. Which team will become the next LEGO Master! Will Pokémon or LEGO reign supreme today? Get ready for a fun-filled day of creativity, adventure, and friendly competition at Bug-A-Lugs!

8th January 

Water Fun Day

Put on sunscreen and pack extra clothes and a towel. Today, we're making a splash! Get ready for an exciting day filled with water-based challenges, refreshing ice crafts, and an epic Educators vs. Children water battle. Everyone will have a blast as we dive into fun activities designed to keep us cool and entertained. Plus, we'll enjoy a special visit from our fantastic CFA! It's sure to be a wet and wild adventure, so don't miss out on the fun. Join us for a day of laughter, teamwork, and unforgettable memories!

9th January 

Kyneton Museum

Step back in time with a visit to Kyneton Museum. Learn about life in the olden days with a special tour of the Museum's exhibits and historic buildings - run just for Bug-A-Lugs. How did people manage without electricity, modern machinery and everyday things we take for granted? Our interactive and fun tour will inspire curiosity and learning about life in the past and the history of our home towns. We will have morning tea in the museum's beautiful garden and step up on a historic horse-drawn buggy. We will return to Bugs and explore some lost trades.

10th January 

Attention, mad scientists!

Get ready to dive into the wonders of liquid nitrogen! Ever seen a tennis ball shattered with a hammer? How about a banana frozen solid? Or bubbles that freeze mid-air? Join us as we explore how solids, liquids and gases transform with rapid heating and cooling. Uncover how Newton's 3rd Law of Motion relates to a liquid nitrogen sprinkler. Learn about the fascinating Leidenfrost effect and much more exciting demonstrations and that's not all—get ready for chilly fun as we whip up INSTANT ICE CREAM with LIQUID NITROGEN! We'll also do winter-themed crafts and have a snowball fight. Don't miss out!
